RE: ML 34181 Clay

Dear Mr. Steele:

It is noted that you are preparing to commence clay mining on the above numbered lease. The Division of Oil, Gas, & Mining recently estimated a bond amount of \$115,820.00 to cover the proposed operation. Please be advised that a reclamation contract is not acceptable by the Lessor as bond.

In accordance with the terms and conditions of your lease, you are hereby requested to post a surety bond in the amount of \$115,820.00 to cover proposed operations under ML 34181. From date of this letter you have thirty (30) days in which to comply.

Sincerely yours,
